Garage & Yard Sale Permit Process

As of October 1, 1996, a permit is needed for all garage sales, yard sales, apartment sales and similar occasional sales of household goods that are conducted on residential property within the City of Chicago.

The action was taken by the Chicago City Council to eliminate the many sales operating week after week after week that actually were unlicensed retail operations, issued by the Department of Streets and Sanitation, these permits are free and must be displayed during the sale period. Each household is entitled to two permits each year, with a third sale authorized only if the occupants are moving permanently from their residence.

If more than one household is joining in a single sale, each household needs its own permit even if the sale is at the address of only one participating household.

The ordinance also prohibits any signs advertising these sales on light poles or other property except at the site of the sale itself.

These sales are limited to three consecutive days between the hours of 9:00 a.m. and sunset. In case of rain, the sale can be held during the next three days after the permit period, but is still limited to three total days.

Violators face fines ranging from \$50 to \$500, with each day representing a separate offense.

Charitable organizations, churches and schools are exempt from the ordinance.

To get your permit complete the attached application form and mail it at least two weeks prior to the starting date.

COVID-19 Garage/Yard Sale Guidelines

As Chicago begins to reopen and given that summer is so short, we understand that garage sales and yard sales will begin popping up throughout the city. It is important for residents to keep in mind the importance of physical distancing and hand hygiene when holding a sale to help prevent the spread of COVID-19.

Know How it Spreads

The virus that causes COVID-19 primarily spreads between people in close contact when an infected person coughs, sneezes or talks. You might also get the virus if you touch something with the virus on it, and then touch your mouth, nose, or eyes.

Follow These Guidelines

Keep yourself and your customers safe at your garage/yard sale by doing the following:

- Place posters encouraging physical distancing for customers to see upon arrival and while shopping.
- Set up tables and chairs at least 6 feet apart.
- Use heavy-duty tape to form a flow for customers to follow throughout the sale.
- Ask customers to stand in a line, while spread apart, during high traffic times.
- Clean and disinfect frequently -- clean all tables and chairs several times throughout the day.
- Make sure all merchandise is washed and dried and/or wiped down with a disinfectant product before placing on a table or chair for sale.
- Wipe down all tables and chairs using disinfectant at the end of the day or in the morning before the next day of the sale.
- Wear a cloth face covering during the sale when physical distancing is not possible.
- Have hand sanitizer with at least 60% alcohol on tables and other places for customers to use.
- Wash your own hands often with soap and water for at least 20 seconds.
- If you are sick cancel your garage sale and stay home.
